

Discover SIGGRAPH 2014 in a new way.

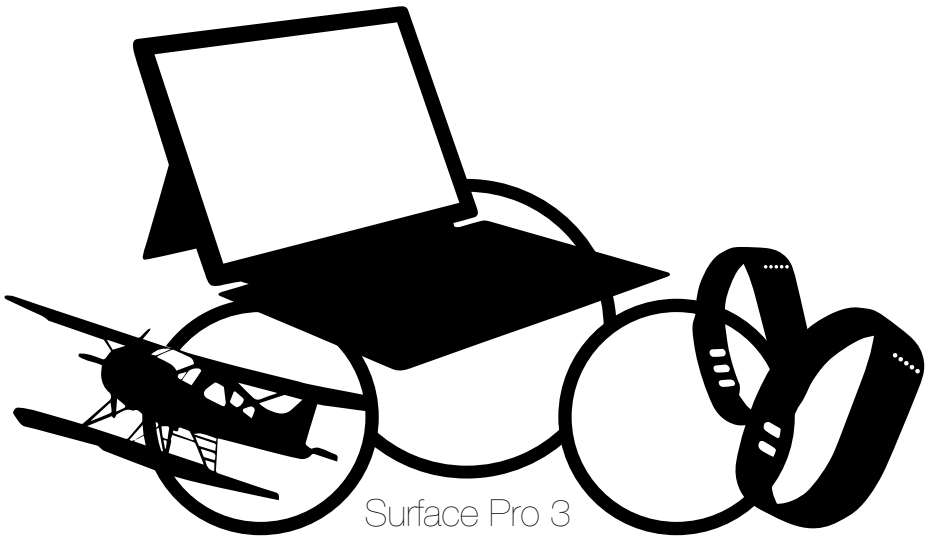

- Do you think **Technical Papers** are too complex? Remember that the Conference offers a special fun screening of all Technical Papers in a fast, fun format:

Sunday, August 10, 6 pm

Ballroom CD, West Building, VCC

And be sure to enjoy the ‘easy-read’ versions of Technical Papers that we have made for you. (you might even find secret game clues inside!)

- Have you heard about our **Regional Presentations**? These are interesting casual meetings showcasing CG/interactivity in focused areas of the world. Attend this year for a chance to win some great game prizes:
